10th Annual Kid's Walk

September 13, 2009

Over 400 walkers came out to support the 10th Annual Brianna Cadman Memorial Kid's Walk on September 13, 2009. This walk was put together to raise community awareness of childhood cancer and to raise funds to help continue Childhood Cancer Foundation's mission to offer support to families who have a child with cancer.

We joined together in the morning hours at the CCFSC office with music provided by KOLA 99.9 FM. We headed as a group to the streets with our balloons, banners, signs, and chants. At the conclusion of our walk everyone is invited to an "After Party" where everyone can enjoy games, food, and award presentations. The Family and Friends of Raquel Ramirez won the 1st prize for Most Donations by a Family and the award for Most Donations by a Group or Sponsor. The Most Spirited Family award was presented to Jicyn Oldham. Throughout the entire walk their team was chanting away the "Jicyn

Team Chant."

The 2nd Place award for Donations by a Family was presented to The Family and Friends of Brianna Cadman and 3rd Place was presented to Kyle's Angel Crew Team. Once again for the 3rd year in a row the Youngest Walker Award was presented to the newest member of the Huizar family that was only a few days old at the time of the walk.

We appreciate the support of the community and all who participated in the event. The main focus of this entire event is to bring the community together in awareness of childhood cancer and we will continue to work hard and strive for this cause.

Special thank you to our event sponsor, The Loma Linda University Cancer Institute, and to all our sponsors: Beaver Medical Group, The Friends and Family of Raquel Ramirez, Genentech, Howard Roofing Co., Inc., Premium Promotionals, Kyle's Angel Crew, and the Family and Friends of Joseph Villalobos. We would also like to thank our In-Kind donors: Enterprise Rent-A-Car, Baker's Drive Thru®, The Sun Newspaper, Loma Linda University Cancer Institute, Golfland, In-N-Out Burgers and Rubio's Fresh Mexican Grill.

Childhood Cancer Foundation of Southern California, Inc. is a non-profit organization whose mission is to provide emotional, social, educational and emergency assistance to families who have or have had children with cancer.

We are committed to supporting the families emotionally so they feel less isolated, frustrated and fearful in dealing with the problems that cancer can manifest within the family structure. By the age of 20, one child or teen in 330 is diagnosed in the United States. More children die of cancer than of any other disease, including asthma, diabetes, cystic fibrosis, congenital anomalies and AIDS, COMBINED.

Childhood Cancer Foundation of Southern California, Inc. relies on donations from individuals, businesses, organizations and clubs in the community to continue to provide assistance and support to children and their families.

La caminata fue creada para levantar junto con la comunidad, el conocimiento del cáncer infantil y para recaudar fondos para ayudar a continuar la misión de La Fundación del Cáncer, ofreciendo apoyo a familias que tienen un niño diagnosticado con cáncer. Al concluir la caminata, todos fueron invitados a una fiesta donde disfrutaron de juegos, alimento y de la presentación de los premios. La Familia y amigos de Raquel Ramirez ganaron el Primer Lugar con la cantidad

mas alta de Donaciones colectadas por una familia. También recibieron el premio por

Candle Lighting Ceremony

September 15 & 22, 2009

Every year Childhood Cancer Foundation invites families to join together in the month of September for two Candle Lighting Ceremonies in honor of children who have or had cancer. September is Childhood Cancer

Awareness month and we strive to bring as much community awareness as we can throughout the entire month.

The first Candle Lighting Ceremony was held in the breezeway between Loma Linda University Children's Hospital and the Medical Center on September 15. We invite childhood cancer patients currently in treatment and those who are now survivors to join us in a ceremony to mark the continued effort we will put together in their honor.

Families join together and visit with families who are recently diagnosed and offer their support. Others meet with old

friends they haven't seen in a while.

The following week on September 22, we joined together once again this time to honor the memory of all the children we have grown to love and admire through their battle with cancer.

Families are invited to bring photos to share about their children. Every family has experienced a loss and this offers them a moment to share memories, stories, and encouragement to everyone who understands what they are going through.

We light four candles: one for our sadness, one for our memories,

one for our love, and one for our commitment and then release balloons that carry messages of love, of longing, and of hope to one day be with them again.

We would like to thank the National Charity League for offering their support and sponsoring the refreshments at both of the Candle Lighting Ceremonies.

Ceremonias de Velas

15 y 22 de Septiembre 2009

Todos los años La Fundación del Cáncer Infantil invita a todas las familias en el mes

de septiembre para dos Ceremonias de Velas en honor a los niños que tienen o han tenido cáncer.

Septiembre es el mes del Conocimiento del cáncer infantil y nosotros nos esforzamos por traer conocimiento a la comunidad durante todo el mes. La primera Ceremonia de Velas fue en la brisa en medio del Hospital de Niños de la Universidad de Loma Linda y el Centro Médico el 15 de Septiembre.

Invitamos a las familias que tienen a un hijo/a actualmente recibiendo tratamiento y los que son ahora sobrevivientes, para acompañarnos en una ceremonia, en la cual marcamos el esfuerzo continuó que ponemos junto en su honor.

Las familias que tienen tiempo en su batalla contra el cáncer visitan con familias

que recientemente han sido diagnosticadas y ofrecen su apoyo. Otros se reencuentran con amigos viejos que no han visto por mucho tiempo.

La siguiente semana, el 22 de Septiembre, nos juntamos una vez más para honrar esta vez la memoria de todos los niños que hemos crecido admirar por su batalla contra el cáncer. Las familias son invitadas a traer fotos de sus niños para compartir.

Cada familia ha sido afectada por una pérdida y esta ceremonia les ofrece un momento de compartir memorias, historias, y de dar ánimo a todos quienes comprenden sus sentimientos.

Encendemos cuatro velas: una para nuestra tristeza, una para nuestras memorias, una para nuestro amor, y una para nuestro compromiso. Después dejamos ir globos que llevan mensajes de amor, anhelo, y esperanza a un día estar junto con ellos.

Querremos dar gracias a la Liga Nacional de Caridad por ofrecer su apoyo y patrocinar los refrescos en ambas ceremonias.

Jessica loved the house and the people so much she didn't want to leave. We will never forget what you mean to us. Thank you for this blessing. God Bless you all."

2010 Calendar Unveiling Party

November 5, 2009

Introducing the 2010 All-Stars! Throughout the months of August and September, Childhood Cancer Foundation of Southern California held photo shoots for the new 2010 Calendar now available for only \$10.00 at Loma Linda University Children’s Hospital on Unit 4800 and at the CCFSC office. All the photographs were amazing thank you to Liz Trautner RN Pediatric Oncology and Photographer.

Liz thinks of all the little details and brings out the best in each of our models. Everyone has a great time dressing up and taking silly group photos with the guest firefighters.

On November 5 we held our annual Calendar Unveiling party where all our models are stars for the night. We present the cover and each child comes up and unveils their photo for their month. Once everyone has their calendars we have an autographing period and everyone can get the exclusive autographs of all the models in the calendar including the firefighters.

We would like to first of all thank all the parents, without your support the Calendars just wouldn’t be possible to produce. And our models, thank you for all your smiles and laughter! We know some of the shoots were scorching hot but you all look amazing in each one of your photos. We would also like to send a very special thank you to all the Fire Departments that participated in this fundraiser. Thank you to the firefighters from San Manuel Band of Mission Indians, San Bernardino County and Redlands City Fire Departments. And last but definitely not least... Liz! Thank you for all your hard work, your very creative sets and all the smiles. Thank you all!

Fiesta Revelamiento del Calendario 2010

5 Noviembre 2009

¡Introduciendo las estrellas de 2010! A través del mes de Agosto y Septiembre, La Fundación de Cáncer Infantil tuvo sus sesiones de fotos para su nuevo Calendario para 2010 ahora disponible por sólo \$10.00 en la Unidad 4800 en el Hospital de Loma Linda de Niños y en

la oficina de CCFSC.

Todas las fotografías asombraban gracias a Liz Trautner RN de Oncología y Fotógrafa. Liz decide cada uno de los detalles pequeños y saca lo mejor en cada uno de nuestros modelos. Todos disfrutaron su tiempo con su disfrás y tomando fotos junto con los bomberos.

El 5 de Noviembre tuvimos nuestra Fiesta de Revelamiento Anual del Calendario donde todos

nuestros modelos fueron estrellas. Presentamos la cobertura y cada niño paso adelante y revelaron su foto. Ya que todos tenían sus calendarios, tuvimos un período donde podían conseguir los autógrafos exclusivos de todos los modelos en el calendario inclusive los bomberos.

Querremos dar gracias a todos los padres, sin su apoyo los Calendarios no serían posibles producir. ¡Y nuestros modelos, gracias por todas las sonrisas! Sabemos que algunos de las sesiones de fotos estuvieron calorosos pero ustedes nos asombraron con cada uno de sus fotos. También querremos enviar un agradecimiento muy especial a todos los bomberos que tomaron parte en este recogedor de

fondos. Gracias a los bomberos de San Manuel Band of Mission Indians, Condado de San Bernardino y bomberos de la Ciudad de Redlands. ¡Y último pero definitivamente no menos... Liz! TEEN CONNECTION

Beach BBQ Bonfire

August 29, 2009

We all jumped into the humongous CCFSC van and let our guest chaperone, Peter Brierty, take the wheel as he drove us down to Huntington Beach. As all of us sat in the van with much anticipation to run through the sand, we put our energy into singing our favorite radio songs the whole hour and a half down to the beach.

Once we made it, the teens couldn't wait to get down to the water, they all flung off their sweaters and shoes and ran straight into the ocean not concerned about how cold

the water might be. The teens continued to have an awesome time jumping through waves and building sand castles they almost forgot about all the delicious food that had been prepared for them. Peter Brierty and his family along with chaperones rounded up the gang for lunch under two pop-up tents that shaded all of us as we enjoyed yummy hamburgers, hotdogs, pasta salad, chips, cookies, and all sorts of other goodies. This was a nice time for the teens to spend quality time with each other as they talked about their own individual battles with cancer and how they dealt with the trials they faced being a teen that had this disease. All the teens were very supportive of each other and they all agreed that they were looking forward to their wonderful lives ahead of them.

As the sun went down everyone was playing catch football, taking pictures, or roasting the last of the s'mores in the fire. The teens had a great day and it was time to go home, we all rounded up our gear and we were on our way... but not before we stopped at Starbucks! In the last two years, stopping at Starbucks at the end of the Beach BBQ has become a tradition started by Peter Brierty and the teens love it!

We would like to thank the Brierty Family, Curtis and Kim, and Kristin for joining the teens in this adventure under the sun. We hope you enjoyed your time with the teens.

Dia en la Playa

29 Agosto 2009

Nos subimos en la camioneta enorme de CCFSC y permitimos que nuestro acompañante especial, Peter Brierty,

tomara el volante mientras nos dirigimos a la Playa de Huntington Beach. Nos sentamos en la camioneta con mucha

anticipación de salir a correr por la arena, pero por mientras pusimos nuestra energía a cantar nuestras canciones preferidas que escuchamos en el radio.

Encuanto llegamos, los jóvenes corrieron hacia el agua, tirando sus suéteres y los zapatos en camino al agua. Los jóvenes continuaron teniendo un tiempo impresionante saltando por ondas y construyendo castillos de arena. Estaban tan entretenidos que casi se olvidaron de toda la comida deliciosa que había sido preparada especial para ellos.

Fue un tiempo agradable para los jóvenes de pasar tiempo de calidad uno con el otro mientras platicaban de sus propias batallas individuales con cáncer. Todos los jóvenes se apoyaron el uno al otro.

Encuanto bajó un poco el sol nos pusimos a jugar fútbol americano, tomamos fotos, o asaban lo último de los "s'mores" en el fuego. ¡Los jóvenes tuvieron un gran día y luego tiempo de regresar a casa, empacamos nuestras cosas y salimos hacia casa... pero no antes de parár en Starbucks! ¡En los últimos dos años, parando en Starbucks a fines del viaje a la Playa ha llegado a ser una tradición comenzada por Peter Brierty y los jóvenes lo adoran!

Querremos dar gracias a la Familia Brierty, Kristin, Curtis y Kim por unir a los jóvenes en esta aventura bajo el sol. Esperamos que ustedes hayan disfrutado de su tiempo con los jóvenes.

Knott's Scary Farm

October 17, 2009

We all got our share of spooks at our annual trip to Knott's Scary Farm. We had a good Teen Connection group load up the van and head down to Buena Park to begin our trail through the haunted mazes and spooky rides.

Ashley, Karina, Louie, Andrew, Raquel, Karen, Shawn, Brooke, Victoria and Chaperones Chad, Kristin and Stephanie headed

down to Fuddruckers and had their fill of burgers, chicken, and fries before heading in to the park. Talk about good burgers!

As we began to enter the park we got our first spooks and screams in. We walked through

many of their mazes, enjoyed a few shows, and took lots of pictures with the monsters and with their displays. Everyone enjoyed their time there and had lots of fun. We would like to thank Firefighter Chad from the Redlands Fire Station for coming down with us and sharing the laughs and the scares!

Noche de Miedo de Knotts

17 Octubre 2009

Todos conseguimos nuestra porción de espantos en nuestro viaje anual a la Noche Espantosa de Knotts. Tuvimos un grupo bueno de la Conexión de Jovenes que se dirigieron hacia el Parque para empezar nuestro rastro por los

laberintos obsesionados y paseos fantasmales.

Ashley, Karina, Louie, Andrew, Raquel, Karen, Shawn, Brooke, Victoria y los Acompañantes Chad, Kristin y Stephanie salieron hacia "Fuddruckers," un restaurante de hamburguesas, y tuvieron su llena de hamburguesas, pollo, y papas fritas antes de llegar al parque. ¡Que hamburguesas tan deliciosas!

Cuando comenzamos a entrar al parque recibimos nuestros primeros espantos buenos.

Anduvimos por muchos de los laberintos, disfrutamos de unas pocas exposiciones, y tomamos muchas fotografías con los monstruos y sus presentaciones.

Todos disfrutaron de su tiempo en el parque de miedo.

¡Queremos dar gracias al Bombero Chad de la estación de Redlands por enfrentar su miedo y compartir con nosotros en este viaje lleno de risas y espantos!
