REDLANDS - Childhood Cancer Foundation of Southern California announces its 10th annual Easter egg hunt for children who have or have had cancer.

The event is 1:30 to 3:30 p.m. Saturday, March 27, at Sylvan Park in Redlands, and the egg hunt begins at 3.

More than 200 children and their parents will be at the Easter egg hunt, and the Easter Bunny will be at the park with more than 4,000 stuffed plastic eggs and baskets for all the children.

The Redlands Heritage Optimists will sponsor the event's activities with carnival-type games and will provide refreshments.

The Easter bunny will also lead the children in a variety of group games. Families of children who have or have had cancer will be able to meet and reunite with other families who have gone through similar circumstances.

For more information, call (909) 558-3419.

Mortgage APRs Hit 3.62%*

Last spring, the US government launched a housing relief program, designed to help 7-9 million homeowners, but so far only 85,000 homeowners have used the program to refinance. Many homeowners mistakenly think they are not eligible. If you are a homeowner and you haven't looked into refinancing recently, you may be surprised at how much you can save.
